

## CARDIFF UNIVERSITY SCHOOL OF ENGINEERING / UNICAMP COLLABORATION SEMINAR

### ABOUT

To facilitate more collaborative opportunities under the strategic partnership between Cardiff University (CU) and Universidade Estadual de Campinas (UNICAMP), CU ENGIN and UNICAMP are organising two online research seminars (one from CU and one from UNICAMP) with the purpose of introducing research areas to each other and help to identify research collaboration opportunities between the institutions. We hope you can join the first of these seminars.
